- 3) Families with two or more children from different grades may simultaneously register for all children during one *Priority Registration* period.
- 4) In order to streamline the registration process, we ask all the parents to take a number before lining up. Please take one number only and do not take a number for other parents. The number only applies to registration on the same day. Parents need to re-queue after the number passed.
- 5) During the registration period, Olympiads School will assign dedicated staff to answer any registration questions. Our front desk secretaries will not provide any consultation service.
