

Dear parents and students,

The tentative 2018 Summer Semester timetable has been posted on our website. The summer semester registration will begin on May 7th. For summer courses scheduling manual, please [click here](#).

We will follow a priority registration policy:

- 1) To avoid crowdedness at the front desk, the priority registration periods are staggered based on grades.

- 2) After the *Priority Registration* period is over, a student may still register, except he or she will be competing for spots with new students on a first-come, first-served basis.
- 3) Families with two or more children from different grades may simultaneously register for all children during one *Priority Registration* period.
- 4) In order to streamline the registration process, we ask all the parents to take a number before lining up. Please take one number only and do not take a number for other parents. The number only applies to registration on the same day. Parents need to re-queue after the number passed.
- 5) During the registration period, Olympiads School will assign dedicated staff to answer any registration questions. Our front desk secretaries will not provide any consultation service.
